

OPEN UP YOUR DISPLAYS WITH **ZIP-IT** SECURITY

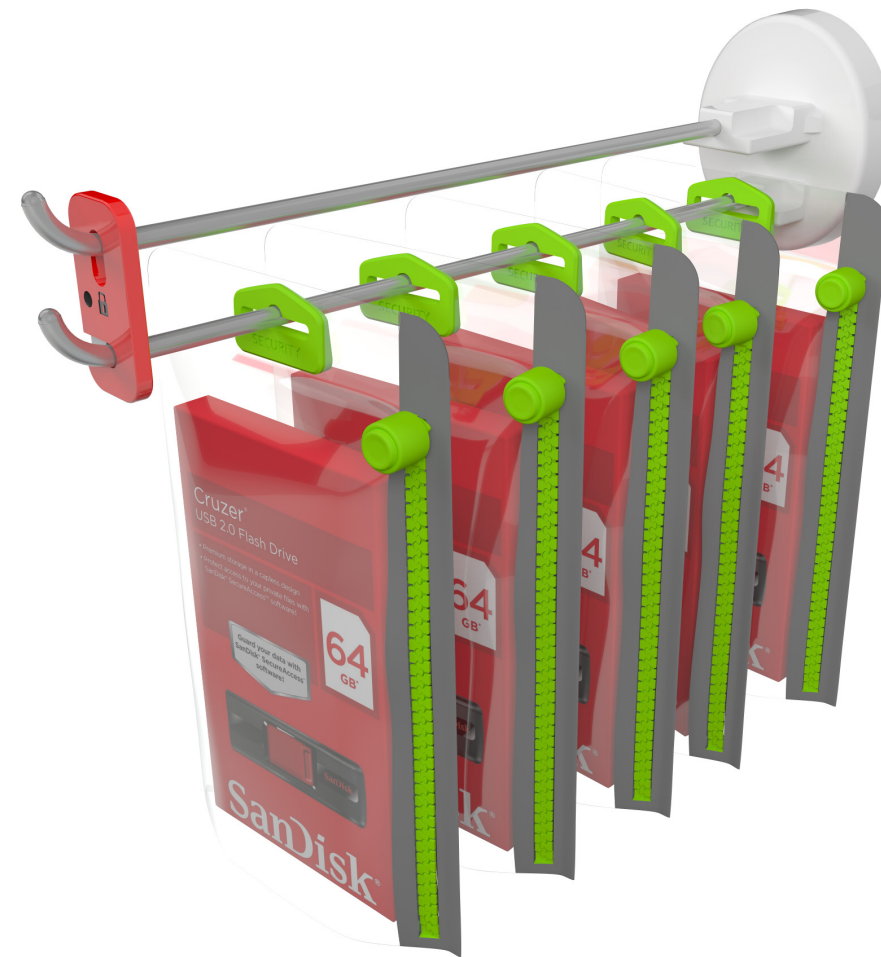

ZIP-IT SECURITY

OPEN UP **YOUR DISPLAYS**

Zip-it provides the most cost effective way to provide open product displays, whilst the patented locking system keeps theft at bay.

- Patented Zip locking system.
- High security hanger to work with existing anti-sweep solutions.
- Expandable design to perfectly fit your merchandise.
- Durable security pouch.

HOW ZIP-IT WORKS

Zip-it is extremely easy to use, it works exactly the same as a traditional zip.

- No training required.
- Quick and easy to fit.
- Compatible with standard detachers.
- Use standard RF or AM labels with Zip-it.

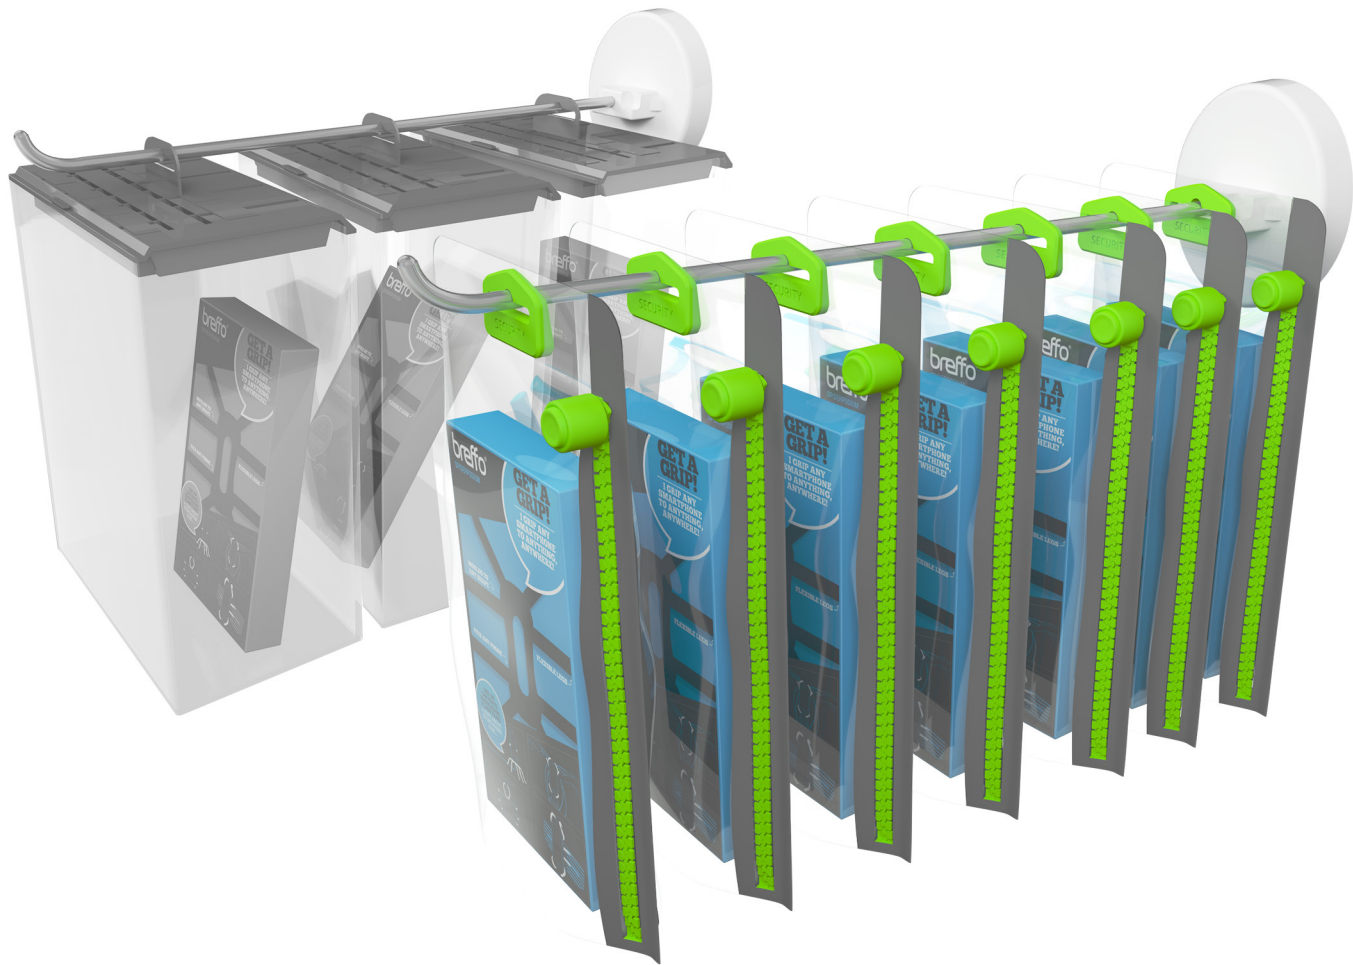

INTEGRATE **WITH EASE**

Zip-it is extremely easy to implement at store level.

- Easy for staff to use.
- Works alongside your current security solutions.
- Reduce your losses with ease.

EASY TO MANAGE

Zip-it is so simple to integrate into your retail environment. Zip-it requires no additional equipment and creates fewer drawbacks created by the Traditional safer/keepers.

- Fit more products on the shelf maximising your retail space.
- Reduce costs with less re-stocking required.
- Reduces the chance of being 'out of shelf stock'.
- Slim design allows more can be stored at the checkouts.

RECYCLE YOUR TAGS

Stick your RF/Am tags to Zip-it not the product. Your tags
Can be used for the lifetime of your Zip-it.

- Recycle your tags to maximise your ROI.
- Secure the product not the packaging.
- Fits any standard security tags.

SECURE **NEW CATEGORIES**

The flexible, clear material allows you to protect your Merchandise without putting a barrier between the Customer and your products.

- More cost effective than traditional security solutions.
- Flexible for new and old product categories.
- Compatible with standard detachers.
- Fit standard RF or AM labels into Zip-it.

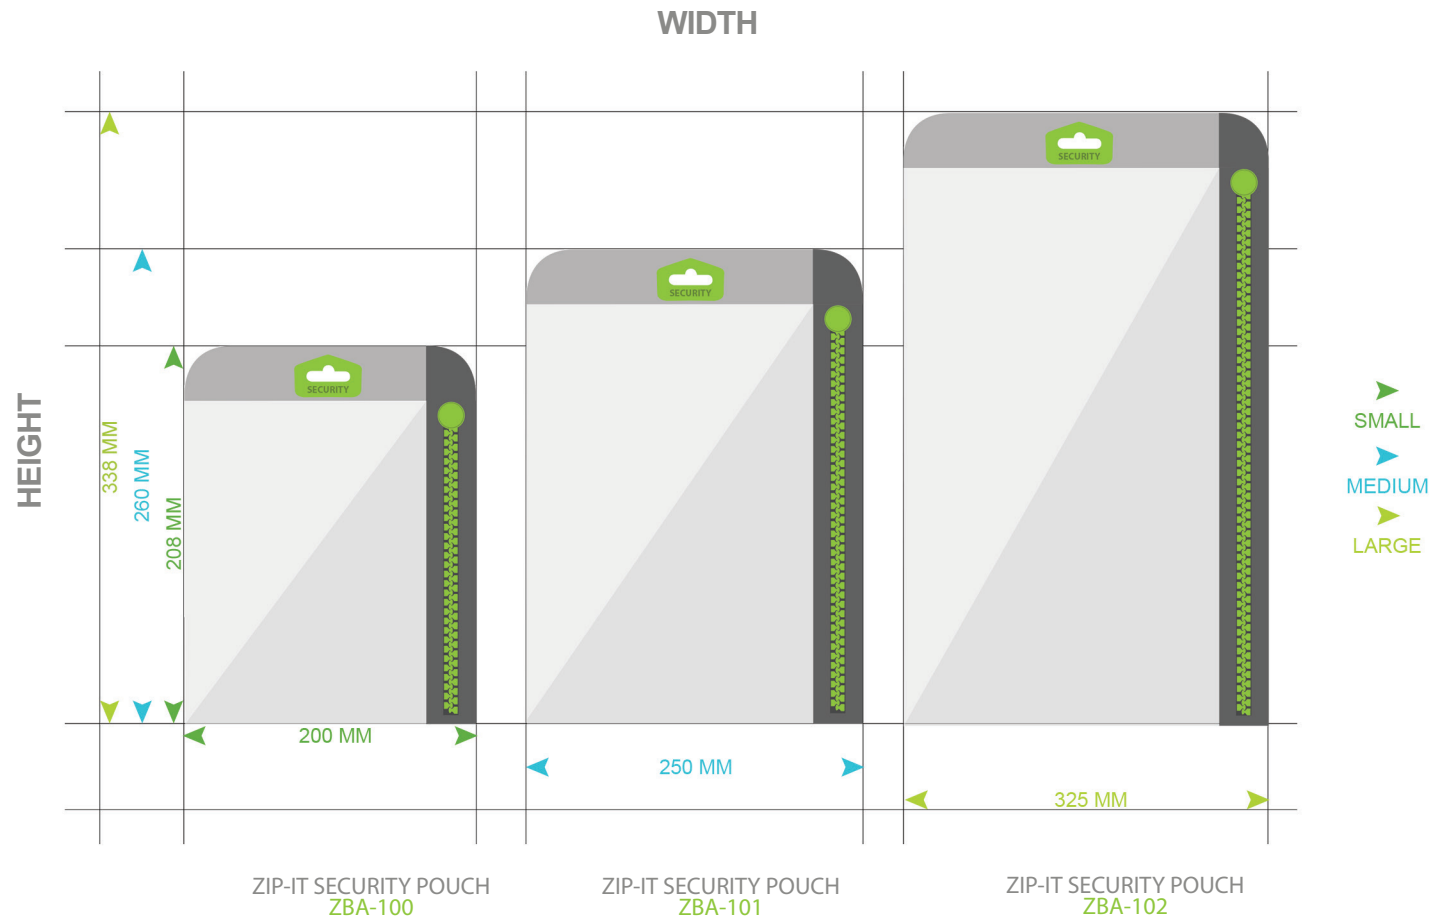

REDUCED **TRANSPORTATION**

Zip-it is 90% smaller than its competitors when flat packed. Throughout the whole logistics process you save money.

- Reduced shipping costs.
- Reduced warehousing costs.
- Shorter delivery times.

ALL SHAPES AND SIZES

Zip-it comes in a large range of sizes, offering the Most flexible solution on the market.

- Large range to fit almost any product.
- Tight fit provides a cleaner display.
- Custom sizes available on request.
